

GROW WITH US - Chiropractor

We are looking for an **EXTRAORDINARY VIBRANT** reliable associate chiropractor who is **PASSIONATE** about maximising health and well-being!

We pride ourselves on supporting the health of the practice members in the community with a collaborative, high quality, people-friendly service and are looking for a dynamic, enthusiastic associate chiropractor with a passion for optimal health and wellbeing.

Our services include effective chiropractic, rehabilitative care and health promoting lifestyle advice. Our practice members range from toddlers to the elderly and is a very rewarding profession to facilitate positive changes in people's health. You will be supporting the principal chiropractor, physiotherapists and assist in the vision and the growth of this practice.

We are looking to employ either a full time (35-40 hours) or part time (20-25 hours) associate chiropractor with the following skills:

About the Role

- Represent the practice brand
- Fresh graduates or experienced chiropractors welcomed
- Able to work well as a team (together with other healthcare practitioners) to solve the Practice Members' complaint
- Great bedside manners and enjoys conversing with individuals from a wide variety of backgrounds
- Growth mindset who is not afraid to learn from others

About You

- Reception experience or any customer service experience is an advantage
- Past or present volunteer leadership roles at academic or religious institutions or participation in team based sports are also an advantage
- Health conscious with enthusiasm for helping others
- An ability to multi-task and work well as part of a team
- Has a key eye for details
- An empathetic and friendly personality
- Honest, genuine and diligent
- Past working experience in a multi-disciplinary practice (local or international) would be a great advantage!

No one has it all together and neither do we. However, if the above sounds like something you'd be interested in and you reckon you'd make a great fit in our team, do reach out to us.
